

## Directions to The Credit Valley Hospital's New Labour Assessment Unit and Birthing Suites

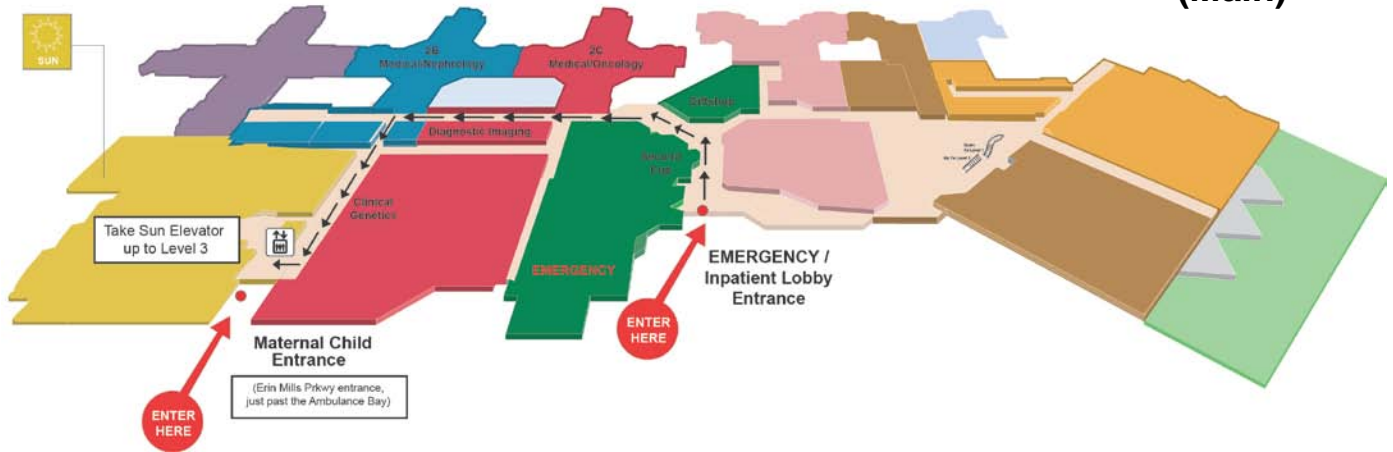

*We have moved! Please follow signs within the hospital and noted below.*

### LEVEL 3

### LEVEL 2 (Main)

If you enter at the Erin Mills's Regional Women's and Children's Health Centre entrance (across from the parking garage and to the left of the ambulance bay), proceed slightly to your left to the "sun" elevator and go up to the 3<sup>rd</sup> floor. The Labour Assessment Unit is directly to your right as you exit the elevator.

If you enter at the inpatient lobby entrance, adjacent to the Emergency Department, proceed into the building, go left past the Second Cup, follow the corridor and turn left across from the entrance to the 2B patient care unit. Follow that hallway to the "sun" elevator on your right just before the double doors to exit.
